## Fall 2015 Academic Calendar

### General Calendar Dates

First day of classes .....	Monday, August 24
Placement Testing.....	By Appointment
Last day of classes .....	December 4
Final Exam Week.....	December 7-12
Grades available on UAOnline .....	December 17
Commencement.....	December 13

### Registration Times

Website: <http://uaonline.alaska.edu>

Walk-in times.....	M-F, 8 am-5 pm
Degree seeking students.....	through January 9
General public.....	through January 9
Senior Citizen Waiver.....	August 24 for full semester classes
Late registration period.....	August 24 - Sept 4

(Registration after 1/20 for classes that begin 1/12 may require instructor permission.)

Fall 2015 On-line and walk-in registration opens	
Public.....	April 6 - Sept 4
Semester dates .....	August 24 - December 4

### DEADLINES

Last day of 100% refund for full-semester length classes .....	September 4, 5pm
Last day to add/drop, audit-credit .....	September 4, 5pm
Payment Deadline.....	September 14, 5pm
Late payment fee assessed (\$125) .....	September 15
Late payment fee assessed (\$175) .....	November 2
Last day for withdrawal .....	November 13
Deadline for Fall graduation appl. ....	December 4

### No Classes/Campus Closed

Campus Closed - Labor Days.....	September 7
No Class Day.....	September 8
No Class Day.....	November 25
Campus Closed Thanksgiving.....	November 26-27
Campus closed.....	December 25 - January 4, 2016

To Register:  
Go to UAOnline  
[uaonline.alaska.edu](http://uaonline.alaska.edu)  
or stop by any PWSCC Campus  
  
Check out our Payment Plan!

# Registration Information

## Who can take Classes?

Adults are able to take a class at PWSCC to earn a degree or enrich your life. Degree seeking students can apply for admissions at the certificate or associate level; there is a fee for admissions. Call Student Services at 834.1600 for an advising admissions appointment. Placement testing and transcripts are required before admission is complete. Program admission is not required to enroll in classes

## Residency

High school age students must obtain the necessary forms for registration from their high school counselor or from Student Services, with required signatures, and register only in person. See page 6 for more information on underage registration.  
REMEMBER TO ADD ANY LAB FEES, SPECIAL FEES AND STUDENT FEES TO THE TUITION COST WHEN DETERMINING THE TOTAL COST

## Placement Testing

The ACCUPLACER placement test is required for students entering degree or certificate programs if SAT/ACT is not available. It is required for non-degree students taking English or math classes. Call 834.1600 to make an appointment.

## Course Prerequisites

Students are responsible for checking to make sure all course prerequisites are met. Prerequisites are listed with course descriptions in each semester's course schedule. They help ensure student success. If a student has not taken and passed the necessary prerequisites, but feels confident of performing the course work, the student may request instructor permission. An instructor withdrawal maybe be initiated for those students who enroll without prerequisites or instructor permission.

## Adding/Dropping or Withdrawing from a course

Students may add/drop courses the first two weeks of the semester. The third through twelfth week of the semester a dropped course is a withdrawal and shows up as a "W" on a student's transcript. Students are strongly encouraged to speak to an advisor before dropping or withdrawing from classes.

## Cancellation of Classes

PWSCC reserves the right to cancel, to combine, to change the instructor, time, date, or place of a class, and to make other revisions in class offerings which may become necessary, and to do so without incurring obligation. The College may discontinue a class at any time if attendance falls below minimum levels. If PWSCC cancels a course, you may add another course of equal tuition value. PWSCC will refund 100% of tuition and fees.

## Grades via UAOnline

Semester grade reports and account balances may be accessed online and printed via UAOnline. The UA Online link is available from our website's homepage.

## Transcripts

Official transcripts are available via UAOnline. The National Student Clearinghouse is the UA provider for online transcript requests. Students can view and print an unofficial transcript at UAOnline as well. It is strongly recommended that students review their records for accuracy before requesting official transcripts. If there is a hold on the account they will be unable to view their records

## Fee Explanation

All fees are approved by the Board of Regents of the University of Alaska Statewide System of Higher Education. The University reserves the right to change or add to its fee assessment and refund policies at any time. Fee assessments are subject to audit and correction, and any adjustments will be made within forty days following the close of late registration or after any change in the student's schedule.

# Tuition ~ Fees

Tuition rates are set by UA Board of Regents.

## RESIDENT TUITION per credit

Lower Division (100 & 200 level) .....	\$160
Non-Credit.....	Varies
Professional Development per credit (500-599)....	Varies
Dual Credit Courses(High School).....	\$25.00

## Tuition does not include the following required fees (per credit)

Student Activity Fee.....	\$5.00
Technology Fee .....	\$5.00
Network Charge .....	\$6.00
UA Facility Fee.....	\$4.00

## OTHER FEES:

Degree Admission fee (non-refundable).....	\$25.00
Audited classes .....	per credit, same as regular tuition charge
Distance-Delivery fee (E-Learning classes).....	\$35.00
Graduation application fee .....	\$20.00
Late payment fees .....	\$125/\$175
Lab/materials fee .....	see course listings
Non-Credit/CEU course fee.....	(varies)
Placement test (Accuplacer) fee.....	\$10.00
Transcript fee	
Electronic.....	\$12.00
Official.....	\$15.00
Expediated.....	\$30.00
Returned check fee .....	\$30.00
Test proctoring fee (non-UA) .....	\$25.00

# Refund Policy

## Credit Courses:

Students who need to drop or withdraw from specific courses or from all their courses must do so officially. Only students who drop via UAOnline or submit a drop or withdrawal form, signed and dated by the student, will qualify for a tuition refund. Refunds are processed according to these policies:

## Full Semester (15 weeks):

Through second week of semester.....100% tuition and fees  
After second week of semester .... NO REFUND

## Less-Than-Semester Length Classes

Prior to 5pm five business days after the start of class  
.....100% tuition & fees  
After 5pm five business days after the start of class  
.....NO REFUND

## Short Courses

For less-than-semester length classes; no refunds will be issued after start date of course.

PWSCC refunds are processed by Prince William Sound Community College business office only after students have completed the appropriate paperwork. The date of drop/withdrawal as indicated on the official add/drop form or electronically via UAOnline determines eligibility for a refund. Refunds will be processed and mailed within two weeks after the end of the refund period.

**PWSCC does NOT drop students from classes for non-payment of tuition and fees!**

## LATE PAYMENT FEES

ON SEPTEMBER 15 any student who has not paid all tuition and fees owed (or made arrangements to defer payment), will be assessed a \$125 late payment fee. If still not paid, ON NOVEMBER 2 an additional \$175 fee will be assessed.

# Payment Procedures

Payment may be made in cash or check, or by VISA, MasterCard, Discover or American Express. A \$30 return check fee is charged on checks returned for insufficient funds, closed accounts, or stop payments. Tuition and fee charges may be audited, corrected and adjusted before the end of the current semester. Students are notified of adjustments. No refunds are issued for \$5 or less.

## Payment Plan

PWSCC uses a third party company, Tuition Management Systems (TMS), to administer our payment plans. Plan enrollment requires a \$60 registration fee and it will not be activated unless the deposit (initial payment) and registration fee has been made. The earlier you sign up for the payment plan, the smaller your monthly payments will be. **To enroll please contact administrative services.**

When tuition and fees are paid by financial aid, another person, or an agency, the student must coordinate payment arrangements in advance with Student Enrollment Services.

## Financial Obligations

If you register for courses, the University holds you financially responsible for that registration. There will NOT be a University-initiated drop for non-payment. If you do not plan to attend, you must drop your courses within the 100% refund period to avoid assessment of tuition and fees. If a student fails to attend the courses for which they have registered, they are still financially obligated for any tuition and fees due.

University policy requires a financial hold be placed on student records if the student fails to meet financial obligations. This prevents any enrollment, transcript, or graduation activity. Past due accounts will be sent to a collection agency. Interest and late fees will be assessed. Past due debts will be reported to a local credit bureau. The University is authorized to garnish State of Alaska Permanent Fund Dividends (PFDs) for payment of past due accounts.

### Senior Citizen Tuition Waiver

Regular tuition will be waived for Alaska residents who are otherwise age-eligible to receive full social security retirement benefits and who register on a space available basis; that is, when courses can accommodate such students in addition to other enrolled students. Individuals who were eligible for senior citizen tuition waivers on Sept. 21, 2005 under the previous policy will continue to be eligible for the waiver. Use of senior citizen waivers is as follows:

- Senior citizens must pay all additional course fees. To waive tuition individuals must register and present a completed tuition waiver form with proof of age.
- Registration using a senior citizen tuition waiver for payment is permitted only after instruction begins and must be completed by the add deadline.
- Senior citizens may elect to register before instruction begins; however, they must pay full tuition and fees (use of senior citizen tuition waiver will not be accepted). Senior citizens electing to register and pay tuition are subject to all payment deadlines. Refunds will NOT be available to senior citizens who drop courses and then re-register in the same courses using a tuition waiver.

### Dual Credit

High School and home school students at the 9th-12th grade levels may enroll in a selection of PWSCC courses with proper placement test scores and Secondary Student Enrollment forms. Students may continue to take PWSCC courses as long as high school and college grades are satisfactory (3.00 high school GPA, and 2.00 PWSCC GPA, and grades of C or higher in each class). Web registration is not available for dual enrollment students; no exceptions can be made. Dual Credit students may also pursue an Associate of Arts degree while attending High School. However, dual credit students are not eligible for financial aid. For more information about Dual Enrollment programs please contact Student Services at 907-834- 1626 or email [studentservices@pwsc.edu](mailto:studentservices@pwsc.edu). High School administrators seeking information about how to establish a Dual Credit agreement with PWSCC should contact the Office of Instruction at 907-834-1660.

Students working toward degrees or certificated are encouraged to check their admission year college catalog and *meet with an advisor* to determine requirements and course sequencing.

**General Education Requirements (GER's)** for Certificates and Associate degrees provide students with a common core of knowledge and understanding. They are in addition to the major courses.

**Campus-based courses being offered this semester at PWSCC that satisfies GER's:**

**1. Oral Communication Skills**

COMM V111 Fund. of Oral Communication

**2. Quantitative Skills**

MATH V105 Intermediate Algebra

MATH V107 College Algebra

STAT V252 Elementary Statistics

**3. Written Communication Skills**

ENGL V111 Meth. Of Written Communication

ENGL V211 Inter.. Expos w/ Reading in Lit.

**4. Fine Arts**

MUS V121 Music Appreciation

**5. Humanities**

ENGL V201 Masterpieces of World Literature I

HIST V131 History of The U.S. I

HUM V211 Introduction to Humanities I

SPAN V101 Elementary Spanish I

**6. Natural Sciences**

BIOL V111/L Human Anatomy and Physiology

CHEM V103/L Survey of Chemistry

GEOL V111/L Physical Geology

**7. Social Science**

ANTH 101 Intro to Anthropology

ANTH 200 Natives of Alaska

BA V151 Introduction to Business

JUST V110 Introduction to Justice

PSY V150 Lifespan Development

PS V101 Intro to American Government

SOC V101 Intro to Sociology

## ADULT BASIC EDUCATION

The mission of the Adult Basic Education (ABE) Program is to provide instruction in the basic skills of reading, writing, and mathematics to adult learners in order to prepare them for transition into the labor market or higher academic or vocational training.

**ABE V001: Adult Basic Education**

TABE Testing • Basic Computer Skills • Educational Gain • Workforce Development • Citizenship Skills • Help with the Written Driver's Test • Life Skills

**GED INSTRUCTION • General Educational Development**

Diploma preparation and testing for those who have not earned a high School diploma. Business and industry, Civil Service Commissions, licensing bureaus, and many other institutions – including PWSCC, acknowledge the diploma.

**ELL INSTRUCTION • English Language Learner**

Designed for those with non-English backgrounds. ELL focuses on oral and written usage of the English language and offers a forum for cultural exchange between English and non-English speakers. Classes in citizenship are available.

## NUMBER MEANING

**001-039** Noncredit community interest courses.

**040-049** Continuing Education Units (CEU).

**050-099** Applicable to some vocational certificates, but not to associate's, bachelor's, or master's degrees or professional certificates.

**100-199** Freshman-level, lower-division courses. Applicable toward certificate, associate and baccalaureate degrees. Courses numbered in the 100 series imply entry-level courses in that discipline to acquire and assimilate knowledge. These courses often have no prerequisites. A student can expect to acquire basic concepts and attitudes in the discipline.

**200-299** Sophomore-level, lower division courses. Applicable toward certificate, associate and baccalaureate degrees. Courses numbered in the 200 series are generally more technical and/or advanced courses that supplement knowledge. These courses often require previously completed course work and/or acquired experience and/or ability. A student can expect to gain extended knowledge of basic concepts and attitudes in the discipline.

**300-399\*** Junior-level, upper division courses. Applicable to associate and baccalaureate degrees.

**400-499\*** Senior-level, upper division courses. Applicable to associate and baccalaureate degrees. May also be applied to graduation requirements for some master's degrees with prior approval of the student's Graduate Study Committee. May not be applied to both a baccalaureate and a master's degree.

\*Courses offered in cooperation with the University of Alaska Anchorage.

# FALL 2015 CLASS OFFERINGS

## ACCT - Accounting

**ACCT V101 - Principles of Financial Accounting I** 3 CR

**PREREQUISITE: Math 055**

Introduces concepts and procedures for financial accounting with emphasis on the accounting cycle, recording, summarizing and interpreting accounting data through presentation of formal financial statements. ACCT 101 & ACCT 102 will satisfy the requirements for ACCT 201.

# Campus Policies

## Children On Campus

Children are not permitted in class while classes are in session. They may not be left unattended anywhere including the commons, hallways, and reception areas.

## Directory Information

PWSCC chooses NOT to release directory information to anyone outside the institution without written consent of the student, except as indicated below. Directory information includes student name, address, telephone number, date and place of birth, major field of study, dates of attendance, degrees and awards received, etc. Exceptions to the above policy are as follows:

1. Student names and degree/certificates will appear in the commencement program and will be released to various media request- ing lists of candidates/graduates unless a written request not to do so has been received by the Student Records Office.
2. Exceptions may be made in response to a subpoena or court order as allowed under the Family Educational Rights and Privacy Act of 1974, as amended.

## Disclaimer

It is the responsibility of the student to become familiar with the policies and regulations of PWSCC printed in our catalog. The responsibility for meeting all graduation requirements rests with the student. Every effort is made to ensure the accuracy of the information contained in this course schedule, however, the course schedule is a guide for the convenience of students, not a contract. The University reserves the right to change or withdraw courses, to change the fees, rules and calendar for admission, registration, instruction, and graduation, and to change other regulations affecting the student body at any time.

For more information contact: PWSCC, 907-834-1600, [studentservices@pwsc.edu](mailto:studentservices@pwsc.edu).

## Equal Opportunity

It is the policy of the University of Alaska to provide equal educational and employment opportunities and to provide services and benefits to all students and employees without regard to race, color, religion, national origin, sex, age, physical handicap, or veteran status. For more information regarding equal opportunity and other policy and procedures please go to <http://www.pwsc.edu/policies>

## Photo and Video

PWSCC takes photos and video of students and visitors in classrooms, study areas, lounge areas and at special events. PWSCC reserves the right to use these photographs as a part of its publicity and marketing efforts. Students who enroll at PWSCC do so with the understanding that these photographs might include them and be used in college publications, both printed and electronic, for publicity purposes.

## Student Records

Student records are maintained for the benefit of the student. They are used to promote the instruction, career development, guidance, and educational progress of students. In accordance with the Family Educational Rights and Privacy Act of 1974, Public Law 93-380, as amended, the student has access to specific information contained in his or her official records as specified by that act. Student records may be released to other persons, agencies, or institutions with a demonstrated interest in the student only if a written release has been signed by that student. College staff will have access to student records when there is a demonstrated educational interest in the student
