- C. Other Eligibility Requirements
1. Due to the academic nature of PWSC's residential communities, resident students are expected to make academic progress while living on campus.
 2. Students must meet all financial obligations they have with the University and their billing accounts must be in good standing. Students who have a financial account hold at the end of the fall semester will be required to vacate student housing following fall finals until their account balances have been paid.
 3. Housing may be denied or an agreement terminated on the basis of past or present behavior if, in the judgment of the Senior Student Affairs Officer or designee, such behavior may threaten University property or the health and safety of residents. All students must abide by the [Student Code of Conduct](#).

Section 3 - Occupancy

- A. Room Reservation and Assignment
1. Room assignments are made at the discretion of PWSC Residence Life. Preferences indicated on an application are not guaranteed. PWSC Residence Life must approve changes to room assignments in advance. The College may assign or reassign students for financial, safety, or behavioral reasons, or without cause. Reassignment may result in higher fees.
 2. Roommates are assigned without regard to race, color, religion, national origin, sexual orientation, Vietnam or disabled veteran status, mental or physical disability, changes in marital status, pregnancy, or parenthood.
 3. On Campus Living at PWSC embraces diversity and inclusion as core values. Transgender students are welcomed and are afforded access to housing assignments consistent with their gender identity.
- B. Household Members
1. Approved household members are adult partners or familial relations who are defined in Section 2B, and dependent children.
 2. The number of household members may not exceed the total occupancy listed for each apartment size; children of any age are counted as one household member.
 - A. Occupancy limit for a 1-bedroom apartment is two (2).
 - B. Occupancy limit for a 2-bedroom apartment is four (4)
 - C. Occupancy limit for a 3-bedroom apartment is six (6).
 3. All household members must be named on the Family Placement Profile during the housing application process. Any departing household members must be reported to Residence Life Coordinator immediately, and agreement holders should keep in mind that changes to the household may impact family status eligibility for continued residency. Additions to the household must be requested of the Assistant Director of Student Services prior to their arrival and assumed occupancy within the unit.
 4. All household members must comply with the legal and judiciary restrictions for Student Housing; household members with charges or convictions of sex crimes, assault, domestic violence, drug use, child neglect, weapons infractions, or other related safety concerns and felony-level charges may be denied residency. The Student Affairs Director or designee may deny residency to any applicant or his/her proposed household members based on community and College safety standards and concerns. Similarly,

Agreement holders will be held responsible for the conduct of their household members. Policy violations and legal difficulties may result in the removal of a particular household member from family housing, compensatory or judicial fees being charged to the Agreement holder's student account, or termination of the family housing agreement altogether and eviction from student housing. Failure to declare legal or judiciary charges or convictions, or to report them as they occur after residency has been assumed, will result in the termination of the family housing agreement and a timely departure from Student Housing.

5. Supervision of children and other household members is the responsibility of the agreement holder. At no time should children be left unattended either within the apartment, outdoors on the premises, or in common areas of housing buildings or the main campus. Staff members are not available to provide day care. Improper care or supervision may result in reports to the Office of Child Services, college judicial action, and/or termination of this agreement.
 6. On Campus Living at Prince William Sound College, in compliance with University of Alaska Board of Regents policy, requires all students living on campus to provide documentation of immunizations. Immunization records are required for each household member, including children. The required documents must be received before checking into housing. All waivers of immunization requirements must be approved by the Director of Student Affairs. To request a waiver of immunization requirements for medical or religious reasons, please contact the Resident Life Coordinator.
- C. Intentions Process
1. All residents are required to participate in the annual "Intentions Process" held mid-spring semester. During this process, students will complete an application indicating whether they plan to return to student housing in the fall. Students who do not participate in the Intentions Process during the dates set by the Residence Life Office must reapply for the next academic year and pay all applicable application fees should they decide to return to campus housing.
- D. Occupancy Over Thanksgiving, Spring and Winter Break Periods.
1. Students may continue to occupy their rooms over the Thanksgiving and Spring break periods with no additional charge.
 2. Students who wish to remain on campus during the winter break between fall and spring semesters must arrange for campus accommodations and pay an additional charge.
- E. Forfeiture of Room Reservation
1. A room reservation is considered forfeited when check-in is not completed during the College's published check-in schedule. A forfeited room reservation is subject to all charges as shown in *Section 1 - Agreement Cancellation and Release Schedule*. The amount forfeited constitutes liquidated damages. Both parties acknowledge that actual damages could be difficult to prove.

Section 4 -Financial Information

- A. General Information
1. All College Housing must be paid by the academic payment deadline.
 2. Mandatory Student Life fees are charged to all enrolled students living in the PWSC residence halls.

3. Failure to pay all fees according to this agreement may result in the assessment of additional costs associated with the collection of this debt. To prevent a student from incurring additional debt, registration activity may be blocked and students may be denied housing at all University of Alaska campuses until the debt is paid in full.
 4. By agreeing to this contract, students authorize the University of Alaska to make any inquiries deemed necessary in connection with the review of information concerning a student's ability to make payment. Tuition and fees charged to a payment plan for the current semester are the student's responsibility and installment payments must be made on or before the due dates specified for each installment. Installment amounts may change over time to account for any new charges, payments, or financial aid adjustments. If a student defaults on a payment plan or financial aid fails to pay, students will be responsible for the total amount due. The University may garnish a student's Alaska Permanent Fund Dividend under Alaska Statutes 14.40.251 and 43.23.073 and past due debt may be reported to a local credit bureau. Students agree to reimburse the University of Alaska the fees of any collection agency, which may be based on a percentage at a maximum of 40% of the debt, and all costs and expenses, including reasonable attorneys' fees, the University of Alaska incur in such collection efforts.
 5. Charges may be audited, corrected and adjusted before the end of the current semester. Students are notified of adjustments by email. The college reserves the right to change its fees at any time.
- B. Security deposit
1. A security deposit is required to be submitted with this Agreement unless already on account. The purpose of this deposit is: (1) faithful performance of the agreement, and (2) for damages beyond normal wear and tear. The security deposit does not represent the maximum liability for charges associated with damages or violating terms of this agreement. The security deposit, less any charges for damages, will be returned approximately ten weeks after the end of the student's final agreement session. The current security deposit amount and other Housing rates can be found at the [PWSC Residence Life website](#).
 2. Failure to check out according to *Section 5 – Termination of Occupancy*, will result in the forfeiture of the security deposit.

Section 5 - Termination of Occupancy

- A. Involuntary Termination of Occupancy
1. Housing privileges may be terminated by the University/College for cause. Cause includes, but is not limited to violating federal, state, or local laws and ordinances, violating Board of Regent's policies, University regulations, rules and procedures, including the Student Code of Conduct, failing to remain enrolled in the minimum number of credits at PWSC as stipulated in *Section 2 - Eligibility*, and for non-payment of Housing charges or other PWSC fees.
 2. The College may terminate this agreement without cause with ten days written notice.
 3. Termination of this agreement by PWSC with or without cause or abandonment of the assigned room by the student does not release the student from financial obligations owed to the University. *Section 1 - Agreement Cancellation and Release Schedule* will be used to determine appropriate release charges.
- B. Voluntary Termination of Occupancy

1. The Housing Agreement is a year-long contract covering both fall and spring semesters. A release from this agreement is available and is subject to *Section 1 - Agreement Cancellation and Release Schedule*. Students can request a mid-year or mid-term release by completing the Cancellation Agreement found on the PWSC website or the PWSC Housing Self-Service page on UAOnline.
2. If a cancellation request is submitted after check-in, the student has until midnight on the agreed upon check out date to completely vacate student housing. The student will indicate their check-out date on the Cancellation Agreement Form.
3. A student may request a waiver of release charges, which may be granted or denied in the sole discretion of the College. Waivers are available in very limited circumstances such as medical disability, death of an immediate family member, change in marital or parental status, graduation, termination of exchange program participation, and involuntary change in employment location or student teaching/internship assignments more than 40 miles away from housing. To request an exception, students must complete the Request for Exception to Housing Agreement Form found on the [PWSC Residence Life website](#). This form must be submitted directly to Residence Life by mail, fax or e-mail within thirty days of move out. Exceptions are not considered for student's failure to comply with published deadlines or changes in financial status. Requests for waivers are reviewed by the Director of Student Affairs.

Equipment or furnishings that are missing or damaged beyond repair are billed to the resident at replacement cost plus labor. Students who have completed a Checkout RCR may submit an appeal in writing to the Residence Life Office within fourteen days of receipt of the Damage Charges notification email to contest the assessment of damages or the amount assessed.
4. Failure to completely vacate according to the policies, procedures and deadlines established will result in the assessment of an improper checkout charge and a per-day room use charge until vacated.
5. The College may, in its sole discretion, store personal belongings left behind at the student's expense for thirty days, after which time they will be disposed of.
6. Upon termination of the Agreement, the College shall have, and is hereby granted, full and free right to remove property of the student or others from the premises without being guilty of trespass, eviction, or forcible entry and detainer, and without relinquishing any of the University's legal rights.
