Registration Information

Who can take Classes?

Adults are able to take a class at PWSCC to earn a degree or enrich your life. Degree seeking students can apply for admissions at the certificate or associate level; there is a fee for admissions. Call Student Services at 834.1600 for an advising admissions appointment. Placement testing and transcripts are required before admission is complete. Program admission is not required to enroll in classes.

Residency

High school age students must obtain the necessary forms for registration from their high school counselor or from Student Services, with required signatures, and register only in person. See page 6 for more information on underage registration.

REMEMBER TO ADD ANY LAB FEES, SPECIAL FEES AND STUDENT FEES TO THE TUITION COST WHEN DETERMINING THE TOTAL COST

Placement Testing

The ACCUPLACER placement test is required for students entering degree or certificate programs if SAT/ACT is not available. It is required for non-degree students taking English or math classes. Call 834.1600 to make an appointment.

Course Prerequisites

Students are responsible for checking to make sure all course prerequisites are met. Prerequisites are listed with course descriptions in each semester’s course schedule. They help ensure student success. If a student has not taken and passed the necessary prerequisites, but feels confident of performing the course work, the student may request instructor permission. An instructor withdrawal maybe be initiated for those students who enroll without prerequisites or instructor permission.

Adding/Dropping or Withdrawing from a course

Students may add/drop courses the first two weeks of the semester. The third through twelfth week of the semester a dropped course is a withdrawal and shows up as a “W” on a student’s transcript. Students are strongly encouraged to speak to an advisor before dropping or withdrawing from classes.

Cancellation of Classes

PWSCC reserves the right to cancel, to combine, to change the instructor, time, date, or place of a class, and to make other revisions in class offerings which may become necessary, and to do so without incurring obligation. The College may discontinue a class at any time if attendance falls below minimum levels. If PWSCC cancels a course, you may add another course of equal tuition value. PWSCC will refund 100% of tuition and fees.

Grades via UAOline

Semester grade reports and account balances may be accessed online and printed via UAOline. The UA Online link is available from our website’s homepage.

Transcripts

Official transcripts are available via UAOline. The National Student Clearinghouse is the UA provider for online transcript requests. Students can view and print an unofficial transcript at UAOline as well. It is strongly recommended that students review their records for accuracy before requesting official transcripts. If there is a hold on the account they will be unable to view their records.

Fee Explanation

All fees are approved by the Board of Regents of the University of Alaska Statewide System of Higher Education. The University reserves the right to change or add to its fee assessment and refund policies at any time. Fee assessments are subject to audit and correction, and any adjustments will be made within forty days following the close of late registration or after any change in the student’s schedule.

Refund Policy

Credit Courses:
Students who need to drop or withdraw from specific courses or from all their courses must do so officially. Only students who drop via UAOnline or submit a drop or withdrawal form, signed and dated by the student, will qualify for a tuition refund. Refunds are processed according to these policies:

Full Semester (15 weeks):
Through second week of semester ...... 100% tuition and fees
After second week of semester .... NO REFUND

Less-Than-Semester Length Classes
Prior to 5pm five business days after the start of class .................................................................. 100% tuition & fees
After 5pm five business days after the start of class ........................................................................ NO REFUND

Short Courses
For less-than-semester length classes; no refunds will be issued after start date of course.

PWSCC refunds are processed by Prince William Sound Community College business office only after students have completed the appropriate paperwork. The date of drop/withdrawal as indicated on the official add/drop form or electronically via UAOnline determines eligibility for a refund. Refunds will be processed and mailed within two weeks after the end of the refund period.

PWSCC does NOT drop students from classes for non-payment of tuition and fees!

LATE PAYMENT FEES
ON SEPTEMBER 15 any student who has not paid all tuition and fees owed (or made arrangements to defer payment), will be assessed a $125 late payment fee. If still not paid, ON NOVEMBER 2 an additional $175 fee will be assessed.
Payment Procedures

Payment may be made in cash or check, or by VISA, MasterCard, Discover or American Express. A $30 return check fee is charged on checks returned for insufficient funds, closed accounts, or stop payments. Tuition and fee charges may be audited, corrected and adjusted before the end of the current semester. Students are notified of adjustments. No refunds are issued for $5 or less.

Payment Plan

PWSCC uses a third party company, Tuition Management Systems (TMS), to administer our payment plans. Plan enrollment requires a $60 registration fee and it will not be activated unless the deposit (initial payment) and registration fee has been made. The earlier you sign up for the payment plan, the smaller your monthly payments will be. To enroll please contact administrative services.

When tuition and fees are paid by financial aid, another person, or an agency, the student must coordinate payment arrangements in advance with Student Enrollment Services.

Financial Obligations

If you register for courses, the University holds you financially responsible for that registration. There will NOT be a University-initiated drop for non-payment. If you do not plan to attend, you must drop your courses within the 100% refund period to avoid assessment of tuition and fees. If a student fails to attend the courses for which they have registered, they are still financially obligated for any tuition and fees due.

University policy requires a financial hold be placed on student records if the student fails to meet financial obligations. This prevents any enrollment, transcript, or graduation activity. Past due accounts will be sent to a collection agency. Interest and late fees will be assessed. Past due debts will be reported to a local credit bureau. The University is authorized to garnish State of Alaska Permanent Fund Dividends (PFDs) for payment of past due accounts.

Senior Citizen Tuition Waiver

Regular tuition will be waived for Alaska residents who are otherwise age-eligible to receive full social security retirement benefits and who register on a space available basis; that is, when courses can accommodate such students in addition to other enrolled students. Individuals who were eligible for senior citizen tuition waivers on Sept. 21, 2005 under the previous policy will continue to be eligible for the waiver. Use of senior citizen waivers is as follows:

• Senior citizens must pay all additional course fees. To waive tuition individuals must register and present a completed tuition waiver form with proof of age.

• Registration using a senior citizen tuition waiver for payment is permitted only after instruction begins and must be completed by the add deadline. • Senior citizens may elect to register before instruction begins; however, they must pay full tuition and fees (use of senior citizen tuition waiver will not be accepted). Senior citizens electing to register and pay tuition are subject to all payment deadlines. Refunds will NOT be available to senior citizens who drop courses and then re-register in the same courses using a tuition waiver.

Dual Credit

High School and home school students at the 9th-12th grade levels may enroll in a selection of PWSCC courses with proper placement test scores and Secondary Student Enrollment forms. Students may continue to take PWSCC courses as long as high school and college grades are satisfactory (3.00 high school GPA, and 2.00 PWSCC GPA, and grades of C or higher in each class). Web registration is not available for dual enrollment students; no exceptions can be made. Dual Credit students may also pursue an Associate of Arts degree while attending High School. However, dual credit students are not eligible for financial aid. For more information about Dual Enrollment programs please contact Student Services at 907-834-1626 or email studentservices@pwscc.edu. High School administrators seeking information about how to establish a Dual Credit agreement with PWSCC should contact the Office of Instruction at 907-834-1660.

Directory Information

PWSCC chooses NOT to release directory information to anyone outside the institution without written consent of the student, except as indicated below. Directory information includes student name, address, telephone number, date and place of birth, major field of study, dates of attendance, degrees and awards received, etc. Exceptions to the above policy are as follows:

1. Student names and degree/certificates will appear in the commencement program and will be released to various media request-ing lists of candidates/graduates unless a written request not to do so has been received by the Student Records Office.
2. Exceptions may be made in response to a subpoena or court order as allowed under the Family Educational Rights and Privacy Act of 1974, as amended.

Disclaimer

It is the responsibility of the student to become familiar with the policies and regulations of PWSCC printed in our catalog. The responsibility for meeting all graduation requirements rests with the student. Every effort is made to ensure the accuracy of the information contained in this course schedule, however, the course schedule is a guide for the convenience of students, not a contract. The University reserves the right to change or withdraw courses, to change the fees, rules and calendar for admission, registration, instruction, and graduation, and to change other regulations affecting the student body at any time.

For more information contact: PWSCC, 907-834-1600, studentservices@pwscc.edu.

Equal Opportunity

It is the policy of the University of Alaska to provide equal educational and employment opportunities and to provide services and benefits to all students and employees without regard to race, color, religion, national origin, sex, age, physical handicap, or veteran status. For more information regarding equal opportunity and other policy and procedures please go to http://www.pwscc.edu/policies

Photo and Video

PWSCC takes photos and video of students and visitors in classrooms, study areas, lounge areas and at special events. PWSCC reserves the right to use these photographs as a part of its publicity and marketing efforts. Students who enroll at PWSCC do so with the understanding that these photographs might include them and be used in college publications, both printed and electronic, for publicity purposes.

Student Records

Student records are maintained for the benefit of the student. They are used to promote the instruction, career development, guidance, and educational progress of students. In accordance with the Family Educational Rights and Privacy Act of 1974, Public Law 93-380, as amended, the student has access to specific information contained in his or her official records as specified by that act. Student records may be released to other persons, agencies, or institutions with a demonstrated interest in the student only if a written release has been signed by that student. College staff will have access to student records when there is a demonstrated educational interest in the student.
